# Three Little Things

that set us apart from the rest

1. Sliding Scale Tuition—we believe that every child deserves a high-quality preschool experience, no matter their financial background. Our scholarship programs help families provide the best for their children without breaking the budget.

2. Quality and Safety—we believe that state-minimum standards are just that...minimum. We exceed state requirements in so many areas that we have been designated a Quality Rated center AND earned a Safety 1st designation from the child care insurance industry.

3. Monthly Family Events—frequent opportunities to socialize help our families get to know us and each other. From cookouts to festivals, we love to make you feel at home in the place where your child spends his days.
